One team to qualify from each group for the semi finals.

3 points for a win, 1 point for a tie.

In the event of a tie the team who won the match between the teams progresses.

In the event this is still tied the team with the most match points won goes through.

In the event the teams are still tied the winner of the last singles match between the teams goes through.

If this was tied then the winner of second last match and so on until a winner is decided.
